

**BA Goals and Objectives**

**BA**

The board shall provide the best educational system possible within the financial limitations of the district. (See ABE).

Approved: July 8, 2002

Spring Hill School District

Small Town Values – World Class Results

The Spring Hill School District, through the cooperative effort with the home and community, will provide an excellent academic education opportunity for all students to become critical thinkers, life long learners and responsible citizens in an ever-changing complex world.

- Goal #1:** The District will increase student achievement.
- A. The District will make Adequate Yearly Progress (AYP) as measured by the Kansas Assessments.
  - B. Increase students enrolled in the CORE Curriculum and increase ACT scores.
  - C. Increase student achievement in Science.
- Goal #2:** The District will maintain a safe and orderly school environment.
- A. A safe and orderly environment will be measured by student, staff, and parent surveys and the building report card data.
  - B. The District would appropriately respond to disasters and crises as measured by post intervention feedback from participants.
- Goal #3:** The District will adequately plan for the future facility and land acquisition needs.
- A. Conduct an annual update of the Long Range Plan.
  - B. Offer and support opportunities for the patrons to accommodate the coming growth in our communities.
- Goal #4:** The District will increase communication with parents, families, patrons and the community at large.
- A. Board members will make personal contact with district patrons and community group to communicate progress toward board goals.
  - B. Build and maintain open communication lines with other governmental jurisdictions.
  - C. Board members will utilize effective communication tools to disseminate information.

D. Make Board of Education meetings public friendly and as accessible as possible.
