

GADA In-Service Education

GADA

There shall be a program of in-service education for certified employees which meets minimum statutory requirements, and which promotes continuous professional development, diversification in academic foundations or subject knowledge, improved job effectiveness and enhanced skills.

Approved: February 12, 2007

GADA-R In-Service Education

GADA-R

All non-certified employees shall attend appropriate education sessions unless excused by the superintendent. In-service programs may utilize all of a portion of the workday.

Approved: February 12, 2007
