

IC **Curriculum Development** (See IDA)

IC

The certified staff shall cooperatively develop a K-12 curriculum based on valid educational research, consistent with board of education philosophy, and current State Board of Education requirements, and which includes goals and learning objectives for review and consideration by the board. When approved by the board of education the district goals and learning objectives shall be used by the staff as the basis for developing and implementing instructional programs. The director of curriculum and instruction shall develop a schedule for periodic curriculum review on a subject-by-subject basis.
