

IIA Performance-Based Credits

IIA

A student who demonstrates extraordinary knowledge or skill in a particular subject area may earn credit towards high school graduation by demonstrating mastery of the course outcomes through a performance instrument. The standards for designing and passing the performance instrument shall be set sufficiently high to ensure credits by such means shall be equivalent to those offered in the framework of the Carnegie unit. The procedure to apply, qualify and participate in the completion of the performance instrument(s) will be the responsibility of Spring Hill High School administration and the Director of Curriculum and Instruction.
