USD #230 Transportation Services

Pay Rider Program – The District will make transportation available for any student living within 2 ½ miles, in district, of their school on a pay basis. The Spring Hill School District will continue to provide free bus transportation for students who reside 2 ½ miles or more from their school.

Pay Rider transportation is offered on a space available, first come, first served basis. Eligibility for Pay Rider is based on

the student's home address, not from the location the student boards the bus. Students must be registered with AppleBus and fees must be paid before transportation can begin. Registration cannot be made by students or daycare providers.

To qualify for Pay Rider transportation, students/parents must:

1. Be able to meet at the nearest established bus stop.
2. Pay a semester rate or discounted yearly rate. Pro-rating of either rate will be available to new students only. All current students qualifying for Pay Rider will be expected to pay at least the semester rate.
3. Parents may cancel and owe no further fees if they a) move from the district, or b) are determined to be 2 ½ miles or more from their school.
4. Students who live within the district boundaries and have applied, qualify for, and have been approved to receive free lunch are also eligible to receive free bus services.

Out-of-district students may pay to ride the bus on the same basis as Pay Rider students. They must board the bus at the nearest stop within the boundaries of the district.

There are no discounts for students in sports or other activities that make it necessary for the student to use the bus only once a day.

Sign-up and fees are due three days before the first day of each semester. Students will not be eligible to ride until fees are paid in full.

Insufficient fund checks do not constitute payment. Return check fee is \$25.
