Four books by Bridget Heos

Mustache Baby	Triceratopposite	Treemendous	Santa Jaws
When Baby Billy is born with a mustache, his family takes it in stride. They are reassured when he nobly saves the day in imaginary-play sessions as a cowboy or cop and his mustache looks good-guy	Triceratopposite features a little dinosaur who always says and does the opposite of what his parents want him to do.	This adorable picture book illustrates the life of a tiny acorn growing up to be a tall oak tree. A wonderful introduction to nonfiction for curious, nature-loving kids!	While kids write notes to Santa Claus, sharks line up for Santa Jaws. They tell him all their Christmas wishes. Santa thinks they sound delicious!
