There was a little snafu yesterday with the horseshoe, so we have a new set of clues today! Listen closely!

Please remember that horseshoe hunting cannot take place during class time, TA time, advisory time, or targeted seminar time. If found, please DO NOT bring the horseshoe to Mrs. Weltz during class time. Please only bring it to her before or after school or during passing period.

### **Today's Horseshoe Clue:**

Broncos, it's time for another clue — are you stumped yet?  
Hopefully not, because it's the Horseshoe you're still trying to get.  
Beneath the surface where knowledge resides,  
Where students gather with curious minds,  
Seek the horseshoe where learning unwinds,  
A hidden gem, what fate now decides.
