USD 230  
Spring Hill KS

Welcome to Spring Hill USD 230! We believe we have the best school district in all of Kansas. Our community is very supportive of our district and places an extremely high priority on student learning, innovation, and success. We've finished a rather stressful year dealing with COVID-19. As with many other districts, we made adjustments for remote learning, optional remote learning and mitigation practices to keep everyone safe. Even after a challenging year, we are very happy to report our overall state assessments are good. We appreciate our community being supportive during this incredibly trying time for all of us. At this point, we are planning for the opening of school in August to be without some of the mitigation practices (masks, social distancing and temperature checks). Our custodians and maintenance crew will keep up a high level of cleaning and sanitizing. This is our plan unless we receive mandates from the state and/or the county.

Our vision statement, "maintain small-town values and empower each student to achieve world-class success," continues to be the root of who we are and where we want to go. As parents are the first teachers, we want to continue to build a partnership with you to help your child be successful. We encourage you to set up an appointment to visit our schools and to become acquainted with our principals, our teachers, and our support staff. We have outstanding, award-winning staff members who are dedicated to

meeting the needs of our children.

For the last few years, we've been the fastest growing school district in the state of Kansas. Our community has been supportive of education and passed a bond issue in 2016 and 2018. With these bond issues, we've been able to build new school buildings, upgrade our technology, and take care of deferred maintenance. This fall, we will open Dayton Creek Elementary, our fifth elementary school. Additionally, we have started construction on our third middle school.

We have upgraded various aspects of our curriculum and are able to offer classes we have not been able to offer before. We are constantly striving to become better in every aspect of our school district.

Over twenty years ago, my wife and I chose to raise our family in the Spring Hill School District. Both of our children graduated from Spring Hill High School and continued their education. We've never regretted that decision. We feel truly blessed to be part of such an innovative and progressive school district and we think you will feel the same way.

Regards,

Wayne Burke, Superintendent

# Spring Hill School District Strategic Plan 2026 Summary

## "Building Future-Ready Students"

**Vision:** Maintain small-town values and empower each student to achieve world-class success.

**Mission:** To be a school district that engages students to learn, create, adapt, and succeed in an ever-changing world.

### Academic Excellence

Each student will meet or exceed grade-level academic expectations in order to achieve academic excellence.

1. Ensure each student is ready for their future through strong classroom instruction and a multi-tiered system of support (MTSS) for academic/cognitive learning.  
*College-Ready*
2. Ensure each student is ready for their future by providing Real-World Learning opportunities for students in order to help them develop the characteristics of successful adults. *Career-Ready*

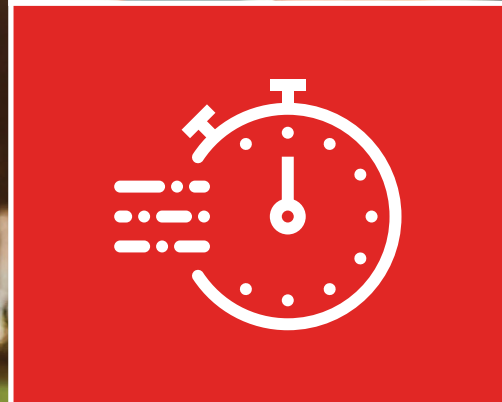

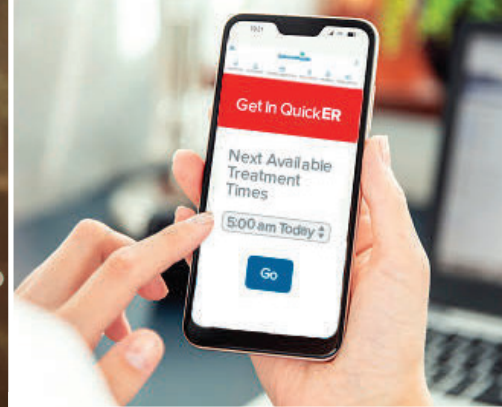

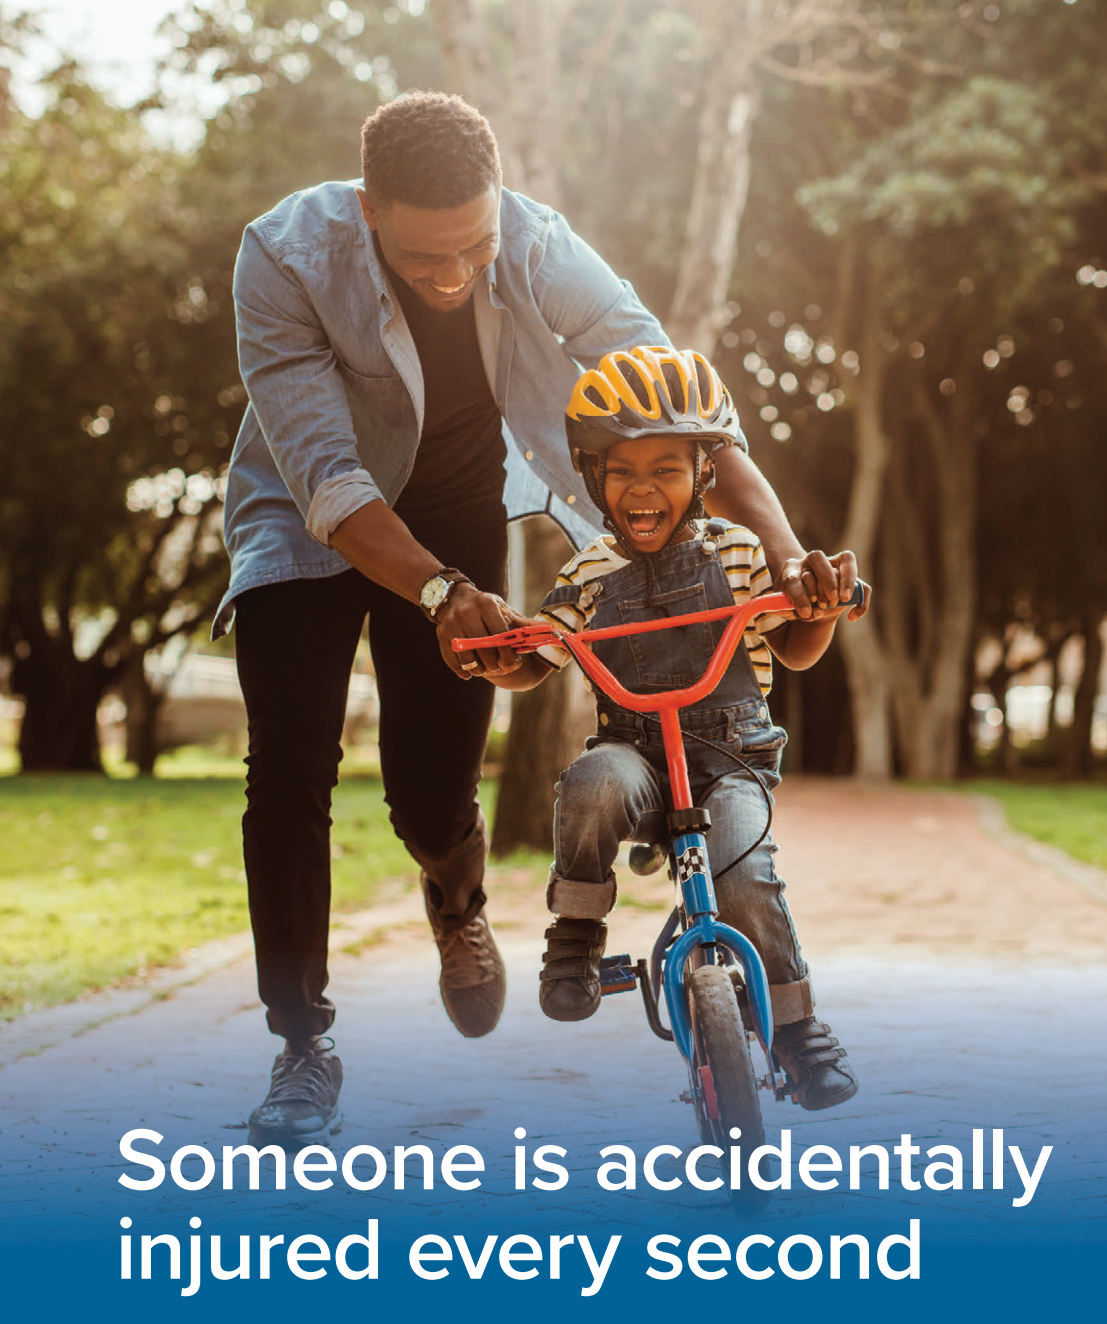

### Personal Development

In partnership with families, each student will develop purpose and social-emotional skills in order to contribute to their community.

1. Ensure each student is ready for their future through strong peer and adult relationships and a multi-tiered system of support (MTSS) for social-emotional learning and behavior. *Life-Ready/Career-Ready*
2. Ensure each student is ready for their future through a partnership with families to provide a continuum of social-emotional learning and healthy relationships.  
*Life-Ready*

More information regarding the strategic plan will be available throughout the year.

Someone is accidentally injured every second

Schedule online at **GetInQuickERKC.com**.

In case of a life-threatening emergency, call 911

**That's why our ER experts stand ready 24/7 to care for you.**

Unexpected moments happen. When they do, you can trust that AdventHealth's ER experts are ready to safely care for you at four locations throughout Johnson County. And, we've made it easy to schedule a non-life-threatening emergency room visit online so you can wait in the comfort of home and arrive at a time convenient for you.

# WELCOME NEW ADMINISTRATORS

Spring Hill Schools welcome three new administrators to the USD 230 team for the 2021-22 school year.

**Meka Bauer, Timber Sage Elementary School Principal**

Mrs. Meka Bauer was selected as the Timber Sage Elementary School principal for the 2021-22 school year.

Bauer has served as the Spring Hill Middle School (SHMS) instructional coach for the past two school years. Before she joined the USD 230 team, she

was a fourth-grade teacher, team leader, gifted facilitator, and elementary school administrator in Lincoln, NE. Additionally, she was a teacher and curriculum coordinator in Missouri. With over 16 years in education, she believes that a strong partnership between school and parents is critical to help students explore their strengths, dream ambitious dreams, and make plans to achieve lofty goals.

Her time at SHMS has provided a working knowledge of the vision, values, and traditions of USD 230 and the Spring Hill community. "I am excited and honored to be given the opportunity to join the Timber Sage Elementary School team," says Bauer.

"We are thrilled to have such a passionate and dedicated employee step into this role for our district. Mrs. Bauer will continue to be an asset for our students, staff, and families at Timber Sage Elementary School," said Michelle Hackney, director of human resources.

**Christopher Villarreal, Director of Communications and Education Engagement**

Mr. Christopher Villarreal will serve as the director of communications and education engagement (previously director of communications) for the district.

Villarreal has 18 years of experience in communications

and 13 years of experience in education. His communications background includes work with small businesses, post-secondary institutions, and K-12 school districts. In education, he most recently served as a curriculum coordinator for

Shawnee Mission School District. He is currently pursuing his doctorate in Educational Leadership and Policy Studies through the University of Kansas and will graduate in May 2022. Villarreal previously earned both his masters and bachelors degrees in Secondary Education from the University of Nebraska at Omaha.

"I am excited for the opportunity to merge my passions for communication and education, and tell the story of teaching and learning in the Spring Hill School District," said Villarreal. "This will be a truly collaborative effort with stakeholders throughout the community, and I hope we can share the great things happening in the school district with the metro area."

"Mr. Villarreal will bring a strong background in education and communication to this position to provide a focus on education engagement," said Brad Willson, assistant superintendent.

**Dr. Erin Smith, Director of Teaching and Learning**

Dr. Erin Smith will serve as the district's director of teaching and learning (previously director of curriculum and instruction).

Smith has 18 years of experience in education and a doctorate degree in Educational Leadership from Baker

University. She previously earned

both her masters degree in Curriculum and Instruction, and bachelors degree in Education from the University of Kansas. In her most recent work with Shawnee Mission School District, Smith served as the coordinator of curriculum and instruction. Before she joined USD 512, she was a school improvement specialist, instructional coach, teacher, and director of education.

"Spring Hill schools are a place of learning for all, with equal measures of enthusiasm, productivity and integrity," said Smith. "I'm excited to be joining the district, and I look forward to enriching the educational experience of our students."

"Dr. Smith will be instrumental in implementing the educational components of our new strategic plan," said Dr. Wayne Burke, superintendent. "We are excited to have her on our team."

## Notes:

Aug 9-11: New Teachers on Duty

Aug 13-17: Teacher Prof Dev

Aug 18: First Day of Classes (PK-9)

Aug 19: First Day of Classes (10-12)

Sep 06: No Classes – Labor Day

# IMPORTANT DATES

## July 12 Online Enrollment Opens

The Spring Hill School District offers online enrollment to families with returning students. This year, online enrollment will be open from July 12 to July 30. During that time period, log on to Skyward and select the Online Enrollment option, which will be located in the left-hand menu. Once you get started, please follow the form and update any information necessary. Be sure that you complete all of the checklists.

## July 27 Walk-In Enrollment

For families who do not have Internet access, have a new student, or need to register in person, a walk-in enrollment session is offered. Staff will be available at individual school buildings on Tuesday, July 27, from 9 a.m. to 7 p.m. Please note the following:

- Interpreter services are only available at Spring Hill High School, 19701 S. Ridgeview Rd.
- Plan accordingly for the W. 199th St. and S. Ridgeview Rd. construction detours.
- Spring Hill High School students need to enroll at the high school.
- All other schools will have packets for all schools so families with multiple students can complete enrollment in one location.

- New families will be given printed forms to complete.
- For returning families without Internet access, you will be given your Skyward username and password to utilize the computers on-site to complete the online enrollment process.

## July 28 Dayton Creek Elementary School

### Ribbon Cutting and Open House, 6-8 pm

Join us to celebrate the opening of our fifth elementary school! The ribbon cutting ceremony begins at 6 pm. The event will have a self-guided tour with opportunities to meet staff members, enjoy refreshments, get your photo taken with the mascot, and more. This is a come and go event.

Dayton Creek Elementary School

21120 W. 188th Ter.

Spring Hill, KS 66083

## July 30 Kindergarten Round-Up

Please contact your child's school if you have not already registered for Kindergarten Round-Up. Schools will be providing additional information regarding this event to registered families.

## July 30 Online Enrollment Closes

## August 18 First day of school PK-9

## August 19 First day of school 10-12

# EMPLOYEE RECOGNITION

The Spring Hill School District celebrated the 2020-21 school year with its annual employee recognition ceremony. The ceremony was shared by video due to COVID-19 restrictions.

Thank you to Main Street Credit Union for sponsoring this event. And thank you to our dedicated employees who have gone above and beyond in a challenging year!

# LEARNING DURING A PANDEMIC

The challenge was real. Learning and teaching during a pandemic was tough. There was remote learning, optional remote learning, hybrid learning, learning in person with mitigation practices, learning during quarantine, and so on. Yet despite all these challenges, our students and teachers persevered.

The changes in learning environment and mode of learning during the pandemic were not what anyone wanted, but the incredible efforts of teachers and staff and the dedication of students mitigated learning loss during this time.

Below is a summary of the 2020-21 state assessment scores (please note that these scores are compared to the 2019 assessment scores as those were the last assessments taken by students):

## In English Language Arts:

- In all seven grade levels tested, we are above the state average. In 2019, we were above the state average in five grade levels.
- In 2019, the average of all grades compared to the state average was a +4.3 points. In 2021, we are an average at all grade levels of +10.2 points above the state average.
- In 2021, five grade-levels improved their scores when compared to 2019, one stayed the same, and one dropped.
- In 2021, six (out of seven) grade-levels increased their spread from the state average.

## In Math:

- In all seven grade levels tested, we are above the state average. In 2019, we were above the state average in four grade levels.

- In 2019, the average of all grades compared to the state average was a +4.6 points. In 2021, we are an average at all grade levels of +9.3 points above the state average.
- In 2021, five grade-levels improved their scores when compared to 2019, one stayed the same, and one dropped.
- In 2021, six (out of seven) grade-levels increased their spread from the state average.

Individual student state assessment scores are mailed to parents over the summer. If you have questions regarding state assessment scores, please contact your child's school.

## Urgent Care with Spot SAVER

We're making life easier with Urgent Care locations open early mornings, evenings and weekends. Plus Spot Saver: a feature that allows you to save your spot online and wait at home. It's a higher level of care. From a connected network of providers you know and trust.

- A network of Urgent Care clinics
- Extended hours
- Online reservations with Spot Saver

Schedule ahead with Spot  
SAVER
