One Apple iPad, Charger, and Keyboard Case are being loaned to the Student/Borrower and are in good working order. It is Student/Borrower's responsibility to care for the equipment and ensure that it is retained in a safe environment.

This equipment is, and shall remain the property of Spring Hill School District and is herewith lent to the Student/Borrower for the 2024-2025 academic school year and should be used for *approved purposes* only.

Student/Borrower may not deface or destroy this property in any way. Inappropriate use of the iPad or accessories may result in the Student/Borrower losing his/her right to use the device. If the Student/Borrower withdraws from Spring Hill School District prior to the end of the school year, the equipment will be returned immediately.

The District Property may be used by Student/Borrower only for non-commercial purposes, in accordance with the District's policies and school rules as well as local, state and federal statutes.

Student/Borrower may not install or use any software other than software owned or approved by the District and made available to Student/Borrower in accordance with this Receipt and Agreement.

One user account with specific privileges and capabilities has been set up on the Apple iPad for the exclusive use of the Student/Borrower to which it has been assigned. The Student/Borrower agrees to make no attempts to change or allow others to change the privileges and capabilities of this user account.

The Student/Borrower agrees to make no attempts to add, delete, access, or modify other user accounts on either the Apple iPad or on any school-owned computer.

The Spring Hill School District network is provided for the academic use of all students and staff. The Student/Borrower agrees to take no action that would interfere with the efficient, academic use of the network.

Identification and inventory labels/tags have been placed on the Apple iPad screen and accessories. These labels/tags are not to be removed or modified. If they become damaged or missing, contact tech support for replacements. Additional stickers, labels, tags, or markings are not to be added to the Apple iPad or keyboard case.

An Apple iTunes account is available for each Student/Borrower to use for appropriate academic use.

The District is authorized to obtain reimbursement from or on behalf of students for any damage to, loss of, or failure to return school property. Any physical damage may be charged to the student at the repair cost or the estimated reduction in resale value. The full cost of the Apple iPad is \$450. Student/Borrower acknowledges and agrees that his/her use of the District Property is a privilege and that by Student/Borrower's agreement to the terms hereof, Student/Borrower acknowledges his/her responsibility to protect and safeguard the District Property and to return the same in good condition and repair upon request by Spring Hill School District.
