

Woodland Spring Middle School  
Traffic Flow Procedures  
2019-2020

PLEASE FOLLOW THE TRAFFIC FLOW PROCEDURES TO ENSURE THE SAFETY OF ALL STUDENTS, STAFF, AND PATRONS OF WSMS. If you have any questions pertaining to the traffic flow procedures please contact our office at 913-592-8188 and we will be happy to assist you.

**Car Riders:** There are two drop-off and pick-up areas in the front of Woodland Spring School. (See the attached Traffic Flow Map for clarification.)

- The **East Loop** will be used for 6<sup>th</sup> grade students and their siblings. This loop will also be used if you are carpooling.
  - If you are using this loop you will enter and exit the parking lot from 167<sup>th</sup> St. directly in front of the school.
- The **West Loop** will be used for 7<sup>th</sup> and 8<sup>th</sup> grade students.
  - If you are using this loop you will enter the parking lot from S. Lindenwood Dr. and enter the parking lot on the west side of the school.

To keep the traffic flow moving smoothly, vehicles in the car line need to pull up to the next available spot when dropping off or picking up students.

**Bus Riders:**

- All bus riders will be dropped off in the back of the school using the designated bus loop. The Bus Loop is for bus traffic only.

**Walkers/Bicyclist**

- Students walking or riding bikes will enter and exit the building by the front doors. There is a sidewalk that leads out of the front of the building to 167<sup>th</sup> Street and one that runs along the school to the west to S. Lindenwood Dr. Sidewalks should be used at all times.
